

## SALE OF ICONIC PROPERTIES IN THE FRENCH “TRIANGLE D’OR”

Several groups of Haussmann buildings located in the Parisian CBD are about to be put up for sale by Catella France and Knight Frank companies, through a co exclusive mandate cooperation.

Exclusively located in the heart of the French « Triangle d’Or », between Avenue Montaigne and the Champs Elysées, the properties benefit from the exceptional position of that area.

The two advising companies will offer a choice of high end quality properties, located for example avenue des Champs Elysées or rues Beaujon, Pierre Charron, Cerisoles, Boccador, Clément Marrot and rue de la Trémoille.

The kick-off should occur during the MIPIM in Cannes.
